Good morning,

Attached are the ADP payments sitting in my hopper.

Please pay careful attention to class dates. Some classes are in FY21, some cross FYs in to FY22. Let's make sure we apply the correct fund cites.

Ok, thanks Sir.

I'll hold off on sending anymore and clogging up your box until you notify me that it's good to go.

Good morning,

Yes, we are in transition to a new financial management system and trying to figure out a way to process these among other payments until we are fully up and running. I'll keep you posted.

Good Morning Sir,

Attached is a request for payment using ADP funds.

Also, I have sent a couple others and haven't seen them come back, checking on the status of those.

Thanks in advance.
